January 19, 2012

Dear Valued Customer:

Effective February 1, 2012, Formosa Plastics Corporation, U.S.A. will increase the selling price of all *Formolene*[®] Polypropylene products \$0.02 per pound, in addition to any published change in the final settled polymer grade propylene contract price from January 2012 to February 2012 as published in CMAI. This price increase is in addition to all previously announced price increases.

All shipments as of February 1, 2012 will reflect this price increase. Orders for all products will be subject to our ability to supply, based upon the normal operations of our facilities.

Your Formosa Sales Representative will be in touch with you to answer any questions you may have regarding this announcement.

Sincerely,

A handwritten signature in cursive script that reads "Brian Murray".
